PROFILE

Seven years of hands-on experience in sales, customer interaction, technical support and CRM systems. I focus on understanding people, solving problems and turning conversations into practical results. My experience has taught me how to communicate clearly, understand people's needs, solve problems under pressure, and turn challenging situations into practical solutions.

EXPERIENCE

Vodafone Egypt 2025 – Present

Technical Support

Handles inbound and outbound calls to assist customers with inquiries, complaints and service requests. Provides accurate information on Vodafone services, offers and billing. Resolves customer issues efficiently and logs every interaction in the CRM to protect satisfaction and retention.

Law Firm 2024 – 2025

Legal Trainee

Assisted a practicing lawyer with legal research, case preparation and documentation. Attended court sessions, drafted legal documents under supervision, and communicated with clients to help prepare case files.

Direct Sales 2017 – 2024

Store Owner

Managed and operated the entire branch independently, handling direct sales, customer interactions, and overall daily operations. Consistently achieved targets, resolved issues professionally, and drove business growth single-handedly.
